

Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Monday 24 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:

A showery day with a risk of thunder and hail.

Today:

Largely dry at first with some bright spells but showers will widely develop later in the morning and into the afternoon. These could be heavy and will carry a risk of thunder and hail. Feeling cool. Maximum temperature 14 deg C (57 deg F).

Tonight:

Showers will gradually fade away, leaving many areas dry for a time, before further showers move into the region overnight. Minimum temperature 6 deg C (43 deg F).

Tuesday:

Tuesday will see scattered showers across the region, these heavy at times and possibly thundery. Maximum temperature 14 deg C (57 deg F).

Outlook for Wednesday to Friday:

Outbreaks of rain on Wednesday, then possible showers later. Sunny spells on Thursday but a chance of some showers remains. Fine and dry on Friday. Temperatures gradually returning towards average.
